

## Contractors Serving Saskatoon, Saskatchewan

### Introduction to the Home Flood Protection Program

The Home Flood Protection Program is an educational service designed to help homeowners reduce their risk of basement flooding and minimize damage if flooding occurs. The program is developed by the Intact Centre on Climate Adaptation (ICCA) at the University of Waterloo in Waterloo, Ontario.

### Introduction to the contractor list

This list of contractors has been developed as a starting place to help homeowners find practical resources that can help them take action to reduce flood risk. The Intact Centre on Climate Adaptation is providing this list of contractors for the convenience of interested homeowners only. The Intact Centre on Climate Adaptation is in no way providing advice of any kind and does not endorse any of the contractors identified below.

### Best practices for hiring contractors

For more information about best practices for hiring a contractor, please see this resource created by the Government of Saskatchewan. [Working with a Contractor](#)

### What to consider before you get started

- ✓ Check your local by-laws to make sure that your project meets local requirements. [Bylaws](#)
- ✓ Call before you dig to ensure your safety and the protection of local utility services. [Sask1stCall](#)
- ✓ Check with your property insurance company for available discounts

## Help us improve the Resource List

We welcome your input! If there is a business that you would like to see added, please share it with us. All requests can be directed to Janet Szydlowski, Home Flood Protection Program Assistant at [floodprotect.info@uwaterloo.ca](mailto:floodprotect.info@uwaterloo.ca)
